RE: Endorsement of Applicant: _____

Number of years I have known the applicant: _____

Category the applicant has applied for: _____

Name of endorser: _____

Address: _____

Phone: _____ Fax: _____ Email: _____

Detailed information is required by the Examining Board to assist in the evaluation of the applicant's competency and experience in the profession of Landscape Architecture. Because of the importance of the information provided on the application form and by the endorser, the endorser must recognize the total responsibility for verification of its completeness and accuracy.

For FULL MEMBER and FULL MEMBER (Out of Province) applicants the Examining Board is interested in detailed practical experience and competency.

For ASSOCIATE and AFFILIATE applicants the Examining Board is interested in the breadth of experience rather than level of competency, recognizing that many applicants may have limited practical experience.

MARKING THE RATINGS:

In your view, and from your knowledge of the applicant, please check all items in the categories which most appropriately indicate the applicant's level of competency and breadth of experience.

If knowledge of the applicant's competency is unknown, please leave the rating blank.

EXPLANATION OF RATINGS:

High: Professional level of competency, little or no supervision required.

Medium: Reasonable competency, some supervision required.

Low: Generally a lower or poor competency level, close or regular supervision required.

None: No experience.
